

**a**

Who is being copied

**b**

Which channel drives the next move

● Claude 3.5 Haiku    ■ Gemini 3.5 Flash-Lite    ▲ GPT-4o    ◆ Mistral Large

A pure tit-for-tat sits at imitation 1 and inherits whatever perseveration the opponent's sequence induces; AIIC and AIID sit at perseveration 1. In b a positive bar means the channel pulls towards cooperation; the two channels are correlated in play, so these are marginal associations, not a decomposition.
